Tean mon & Dad,

We are taking it lary today, it is nice just not to do do anything, I watched the bracketall game and we walked over to the drughtore and picked up the rhides Vickie took on the trip, ble wied my camera as I had one from wak. Unfortunately one real didn't turn out, but the ones she really wanted turned out fire.

lost night and are scheduled lost night and are scheduled to go to other the rest two botunday hights. When it worms up we will have another party on a bunday afternoon. It was partly cool.

hext week & am going to stark working a little late shout two higher a week. I will stay with up while stay will up compensatory time that I can take in fure. We may drive out when it everything works out okay. Soy tello to may & mike for us and I will write them soon,

Jim
